BAKER & DANIELS COMES "HIGHLY RECOMMENDED" BY BENCHMARK LITIGATION
 Baker & Daniels LLP has been named a "highly recommended" law firm in *Benchmark Litigation's* 2010 edition. The firm has received "highly recommended" in all three annual editions of *Benchmark Litigation*, the definitive guide to America's leading firms and attorneys. *Benchmark Litigation* is the only publication on the market to focus exclusively on litigation in the U.S. The publication's researchers conduct extensive face-to-face interviews over a year-long period to receive the most accurate feedback about the market. In addition, eight Baker & Daniels lawyers in the firm's business litigation group are listed as "local litigation stars," individuals who were recommended consistently as reputable and effective litigators by clients and peers.

TCU DONATES GRANT TO THE HEARING AND SPEECH CENTER
 TCU has donated a grant of \$8,000 to the Hearing and Speech Center located at 6910 North Main Street, Building 9, in Granger. The Hearing and Speech Center will use these funds to purchase specialized diagnostic equipment that is necessary to provide clinical hearing tests for children under three years of age. Hearing & Speech Center is the only not-for-profit agency to offer these services. Beginning November 1, the Hearing and Speech Center will provide clinical hearing tests for infants and toddlers. All testing is performed by a certified audiologist, and is covered by most health insurance plans. In addition, the Hearing and Speech Center also provides comprehensive speech-language evaluations, individual speech-language therapy, language groups and other hearing-related services.

CONSPECT SERVICES PRESIDENT AWARDED GREEN ROOF PROFESSIONAL DESIGNATION
 ConSpecT Services, Inc., Michiana's only professional roof consulting firm, is pleased to announce that their president R. W. (Bob) Humbarger has been awarded the Green Roof Professional (GRP) designation from the Green Roofs for Healthy Cities (GRHC) organization. To achieve this designation Mr. Humbarger first served on the Roof Consultants Institute's initial Green Roof Research Committee from 2002 to 2004 and was the RCI delegate to the GRHC's annual educational conventions. He then took the four required GRHC courses Design 101, Waterproofing & Drainage 201, Infrastructure Design & Installation 301, and Green Roof Plants & Growing Media 401 in 2007 through 2008 and finally the 2-hour exam in 2009. Mr. Humbarger is now one of only 150 Green Roof Professionals (GRP) in North America. Mr. Humbarger is also a Registered Roof Consultant RRC as recognized by the Roof Consultant Institute and a Construction Documents Technologist (CDT) as recognized by the Construction Specification Institute.
