611 East Douglas Road, Suite 207
Mishawaka, IN 46545
574-272-5347

Plymouth
1919 Lake Ave., Suite 107B
Plymouth, IN 46563
574-272-5347

Welcome to the XRC! Thank you for choosing our practice to meet your healthcare needs.

Please fill out the enclosed demographic and history forms prior to your appointment on:

____

Please bring all of these completed forms, along with your insurance identification card(s) and a photo ID, such as your driver's license, to your appointment.

Our facility is located in the Medical Office Building (MOB) attached to Saint Joseph Regional Medical Center.
611 E. Douglas Road, Suite 207, Mishawaka, IN 46545.

Please see enclosed map.

During your care you may receive a Patient Satisfaction Survey. We ask that you take a few minutes to let us know you were satisfied with our services. Your opinions are important to us!

We look forward to seeing you at your appointment. If you have any questions in the meantime, please do not hesitate to call or email me.

Sincerely,

Sharon Osthimer

Please indicate in which leg you have the following symptoms:

	Left Leg	Right Leg
Edema (swelling)	____________________	____________________
Pain location	____________________	____________________
Tiredness/Heaviness	____________________	____________________
Ulceration	____________________	____________________
Skin Color Changes	____________________	____________________
Spider Veins	____________________	____________________
Varicose Veins	____________________	____________________
Spontaneous bleeding from veins	____________________	____________________

How long have you had vein symptoms in your legs? ___________ , months or years?

See the list below, please check the box next to the ADL (activity of daily living) that is limited by your leg symptoms and explain below:

Basic ADLs

Basic ADLs consist of self-care tasks that include, but are not limited to:

- ☐ Functional mobility, often referred to as “transferring” (moving from one place to another while performing activities)
- ☐ Bathing and showering (washing the body)
- ☐ Dressing
- ☐ Self-feeding (not including cooking or chewing and swallowing)
- ☐ Personal hygiene and grooming (including brushing/combing/styling hair)
- ☐ Toilet hygiene (getting to the toilet, cleaning oneself

Instrumental and other ADLs

Instrumental activities of daily living (IADLs) are not necessary for fundamental functioning, but they let an individual live independently in a community:

- ☐ Housework
- ☐ Preparing meals
- ☐ Shopping for groceries or clothing
- ☐ Care of pets
- ☐ Transportation within the community
- ☐ Home establishment and maintenance
- ☐ Religious observances
- ☐ Health management and maintenance
- ☐ Care of others (including selecting and supervising caregivers)
- ☐ Child rearing or caring for grandchildren
- ☐ Safety procedures and emergency responses
- ☐ Other: ______________________________
